

**Yellow warning
Rain**

Between

**00:00 Sun 20 Feb 2022 and
18:00 Sun 20 Feb 2022****Heavy rain expected to lead to some disruption on Sunday.****What to expect**

- Spray and flooding could lead to difficult driving conditions and some road closures, causing delays or cancellations to train and bus services
- There is a chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance that some communities will become cut off by fast flowing or deep floodwater
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

An area of heavy rain will affect parts of northwest England on Sunday and become slow-moving for a time with some very heavy rain, especially over high ground. The duration and intensity of the rainfall could bring widespread totals of 20 to 40 mm, but some exposed sites may see 60 to 80 mm on Sunday - however - this will fall on to already-saturated ground. The rain should clear south by Sunday evening.

Very low likelihood of
medium impacts
